Subject: Dominion's Proposed Modification of the Agreed Confidentiality Order

Thank you for talking with me today. As we discussed, Reynolds has subpoenaed Dominion, a non-party in IN RE: DEALER MANAGEMENT SYSTEMS ANTITRUST LITIGATION, and has now filed a motion to compel Dominion to produce documents response to the subpoena. In our opposition to the Reynolds motion, we will be proposing the following addition to the Confidentiality Order:

No Receiving Party with access to Confidential Information or Items of Dominion Enterprises, Inc., its affiliates and subsidiaries ("Dominion") shall provide advice, legal or otherwise, regarding business relationships with or business conduct affecting Dominion until one year after the conclusion of this Action. This prohibition does not extend to general advice, legal or otherwise, that the Receiving Party has concluded affects Dominion no differently than its competitors after undertaking reasonable due diligence to investigate the potential effect.

We are hoping you would confirm that you have no objection to the additional provision.
